

## Rife Frequencies Consent Form

Rife frequencies are transmitted through a plasma tube either in person or via Zoom to an individual with the intent of bettering the individual's health. They are used to influence the body by making chemical changes for better health. Dr. Royal Rife proved you could even kill unwanted organisms that thrive within us by using these frequencies to devitalize them, without causing harm to healthy cells and tissue.

### Consent & Acknowledgment

- I consent to and authorize **Alba Weinman** to provide Rife Frequencies.
- I understand the purpose, potential benefits, and risks, and acknowledge that results are not guaranteed.
- I have provided an accurate medical history, including allergies and current medications/products.

### Health Affirmations (Please check each box)

- ☐ I do **not** have a pacemaker or other implanted electronic device.
- ☐ I am **not** pregnant or nursing.
- ☐ I have **not** had an organ transplant.

### Disclaimer

- **Alba Weinman** is a hypnotherapist, not a physician or healthcare professional.
- This is an experimental device and does not claim to cure anything.
- This is not a substitute for professional medical care; consult a licensed healthcare provider for health concerns.
